PAYROLL DEDUCTION AUTHORIZATION
(SUBMIT TO WDFW PAYROLL – NOT WAFWP)

I hereby authorize the automatic deduction from my gross monthly salary of appropriate membership dues payable to the Washington Association of Fish and Wildlife Professionals (WAFWP), not to exceed \$5.00 for a Non-Permanent appointment or 0.7 % (seven-tenths of one percent) for a Permanent appointment (including Career Seasonal and Project Permanent).

I understand that this deduction, and any adjustments needed due to a missed payment, will appear on my semi-monthly earnings statements. I also understand that in the event my employment status is changed from a Non-Permanent position to a Permanent appointment in any job classification within the Department identified as a component of the WAFWP bargaining unit this deduction will continue uninterrupted at the appropriate rate.

Furthermore, if I am a career seasonal employee I authorize the Agency to continue dues deductions upon my return from an off season. I understand I have the right to withdraw this authorization.
